**GREAT SAUK TRAIL COUNCIL,
BOY SCOUTS OF AMERICA
CAMBERSHIP APPLICATION
INFORMATION & INSTRUCTIONS**

A campership fund has been established by the Great Sauk Trail council to assist youth in need of support for a summer camping experience. To be eligible for financial assistance, the following guidelines must be met:

1. Applicant must be registered in the Great Sauk Trail Council and in good standing in his/her unit for a least 30 days prior to making application.
2. Eligibility is limited to:
A Council managed Boy Scout Resident Camp
Official Council, District Area or National Training Conference
Great Sauk Trail Council managed Junior Leader Training
3. Applicant must be recommended by his/her Unit Leader and Committee Chairman and the application must be signed by both.

We urge your assistance in making camperships available to youth who could not attend camp without them. Please review the youth in your unit and make recommendations for those in need of support. This information is confidential. An application must be submitted for each individual you deem in need of financial help and if there is more than one applicant, they should be ranked in order of need.

In keeping with the philosophy of “pay your own way”, each youth should pay a portion of the fee. The Council also reserves the right to consider the units participation in Council administered product sales as demonstrating a concerned effort to raise these funds. His family and unit should also contribute to the cost of the camp experience. Camperships awarded may be up to 50% of the total camp fee for Boy Scouts or Crew Members and will not exceed \$100.

Applications for campership aid must be submitted prior to **March 31st** to allow time for review and response. If approved, the campership amount will be sent to the Council that operates the Boy Scout camp at the end of the camp season or to the National Conference after attendance is confirmed. For JLT, fees will be credited to the boy’s account with in this office. The campership is to a specific individual and is not transferable. Any exceptions to this payment schedule must receive approval by the Council Program Director. Past due submissions will be considered based on availability.

NOTE: There are other sources for camperships. Contact your local United Way for information.
